BLUE GRANITE CLIMBING SCHOOL

LEARN THE ROPES

101—Intro to Climbing

1st Wednesdays, 6-8pm

Learn the how to top rope belay and basic climbing technique.

102 —Learn to Lead

3rd Mondays, 6-8pm

Learn to lead climb and lead belay, how to fall and catch falls.

103—Practice Leading

Put your new skills to use.

Practice taking and catching falls, and leading harder climbs.

MOVEMENT & MENTALITY

201—Find Your Balance

Develop the Ninja-like technical skills of high-quality footwork and balance.

202—Discover Your Power

Learn to generate momentum and become a more dynamic and energetic climber.

203—Twist Your Hips

Style, grace, power, and efficiency. Twisting your body is essential for vertical and overhanging terrain.

204 — The Mental Game

Learn tools and tactics to address fear and anxiety on the wall.

Wednesday 6/5, 6-8pm

Intro to Climbing

Monday 6/10, 6-8pm

Find Your Balance

Monday 6/17, 6-8pm

Learn to Lead

GYM TO CRAG

Gym-to-Crag (3-Day Series)

Over the course of 3 days, you will prepare for outdoor climbing in an indoor setting. Topics include anchor building and cleaning, rappelling, and belaying from the top.

Keepin' It Real

FREE Clinic!

Getting ready to head outside?

Make sure you're being a responsible climber and don't look like a noob! Hosted by the Tahoe Climbing Coalition, topics will include: a brief Tahoe climbing history, terminology and lingo, crag etiquette and stewardship.

Wednesday 6/19, 6-8pm

Discover Your Power

Tuesday 6/25, 6-8pm

Twist Your Hips
